EMAK electrical & computer llc spc

About EMAK

EMAK Electrical & Computer LLC SPC is a trusted supplier of engineering, electrical, IT, and computer products for industrial, commercial, and residential sectors. We provide electrical switchgear, cable management systems, and hazardous-area equipment from world-class brands, together with reliable computer, networking, and IT solutions.

***Reliable supply. Technical solutions.
One trusted partner.***

Electrical Distribution & Cable Infrastructure

Switchgear & Control Components

- ▶ Low Voltage & High Voltage Switchgear Parts
- ▶ Contactors, Overload Relays & Control Relays
- ▶ MCB, MCCB, ELCB, ACB & Isolators
- ▶ Timers, Panel Meters & Cam Switches

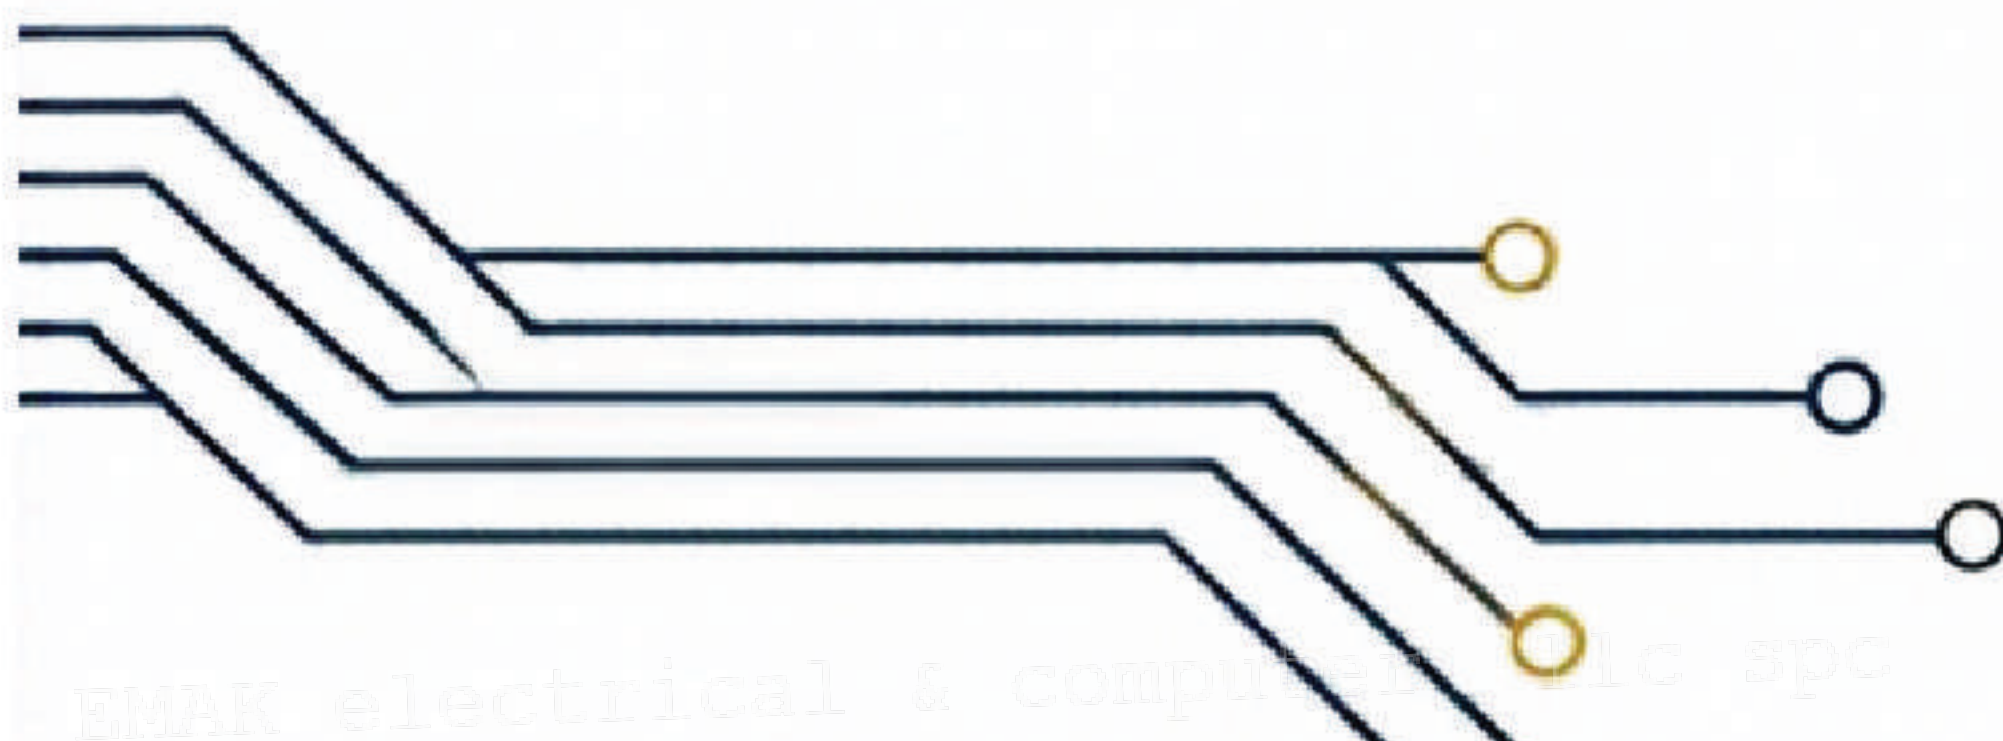

Earthing & Lightning Protection Systems

- ▶ Earth Rods, Clamps & Earth Pit Covers
- ▶ Copper Tape, Conductors & Accessories
- ▶ Lightning Arresters & Surge Protection Devices

Cable Management & Distribution

- ▶ Armoured, Rubber (H07RN-F), Marine & Control Cables
- ▶ Cable Glands & Lugs (Brass, SS, Weatherproof & Explosion Proof)
- ▶ Cable Joints, Terminations & Heat Shrink Tapes
- ▶ Metallic & PVC Cable Trays, Channels & Trunkings
- ▶ Cable Transit Systems & Cable Identification Systems

Automation, Safety & Enclosure Solutions

Industrial Automation & Connection Technology

- Terminal Blocks & Power Supplies
- Industrial Relays, Controllers & Data Connectors
- Industrial Plugs, Sockets & Receptacles

Hazardous Area & Explosion Proof Electricals

- ATEX Certified Explosion Proof Lights
- Explosion Proof Junction Boxes, Glands & Switches

Lighting & Enclosures

- Commercial & Industrial LED Lighting Solutions
- Distribution Boards, Panel Boxes & Weatherproof Enclosures

Testing, Tools & IT Infrastructure

Testing, Measuring & Tools

- Electronic Test Tools, Clamp Meters & Digital Multimeters
- Thermal Imaging Meters & Process Calibrators
- Industrial Power Tools & Heavy-duty Hand Tools
- Industrial Labeling & Marking Printers

IT & Computer Hardware Solutions

- Desktops, Laptops & Enterprise Servers
- Network Switches, Routers, Firewalls & Structured Cabling
- Storage Devices, SSDs, RAM & Peripherals
- CCTV, Access Control & Biometric Systems

Key Brand Partners

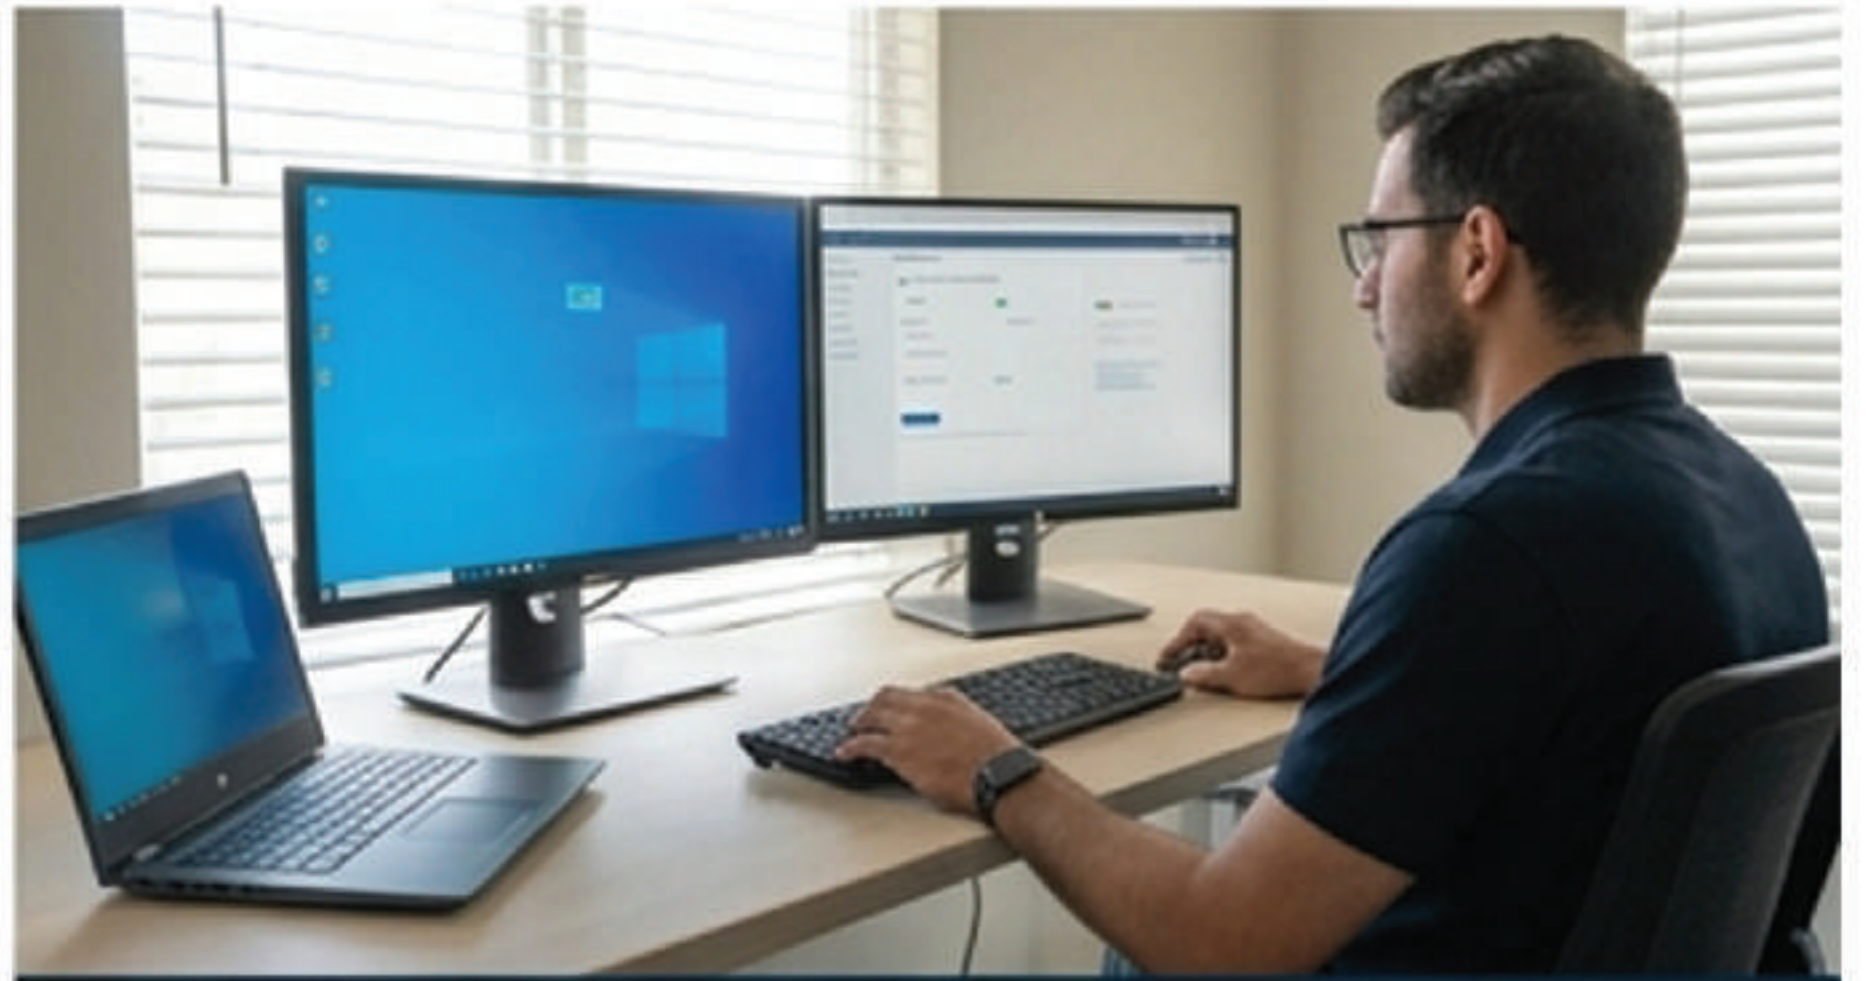

Schneider Electric, ABB, Eaton, Phoenix Contact, 3M, DUCAB, Oman Cables, Helukabel, Bicon, CMP, Raychem, CEAC, Appleton, PCE, Warom, Cooper Crouse-Hinds, Fluke, Hioki, DeWalt, Stanley, Brother, Dell, HP, Lenovo, Cisco, SonicWall, Fortinet.

IT & CORPORATE CLIENT SOLUTIONS

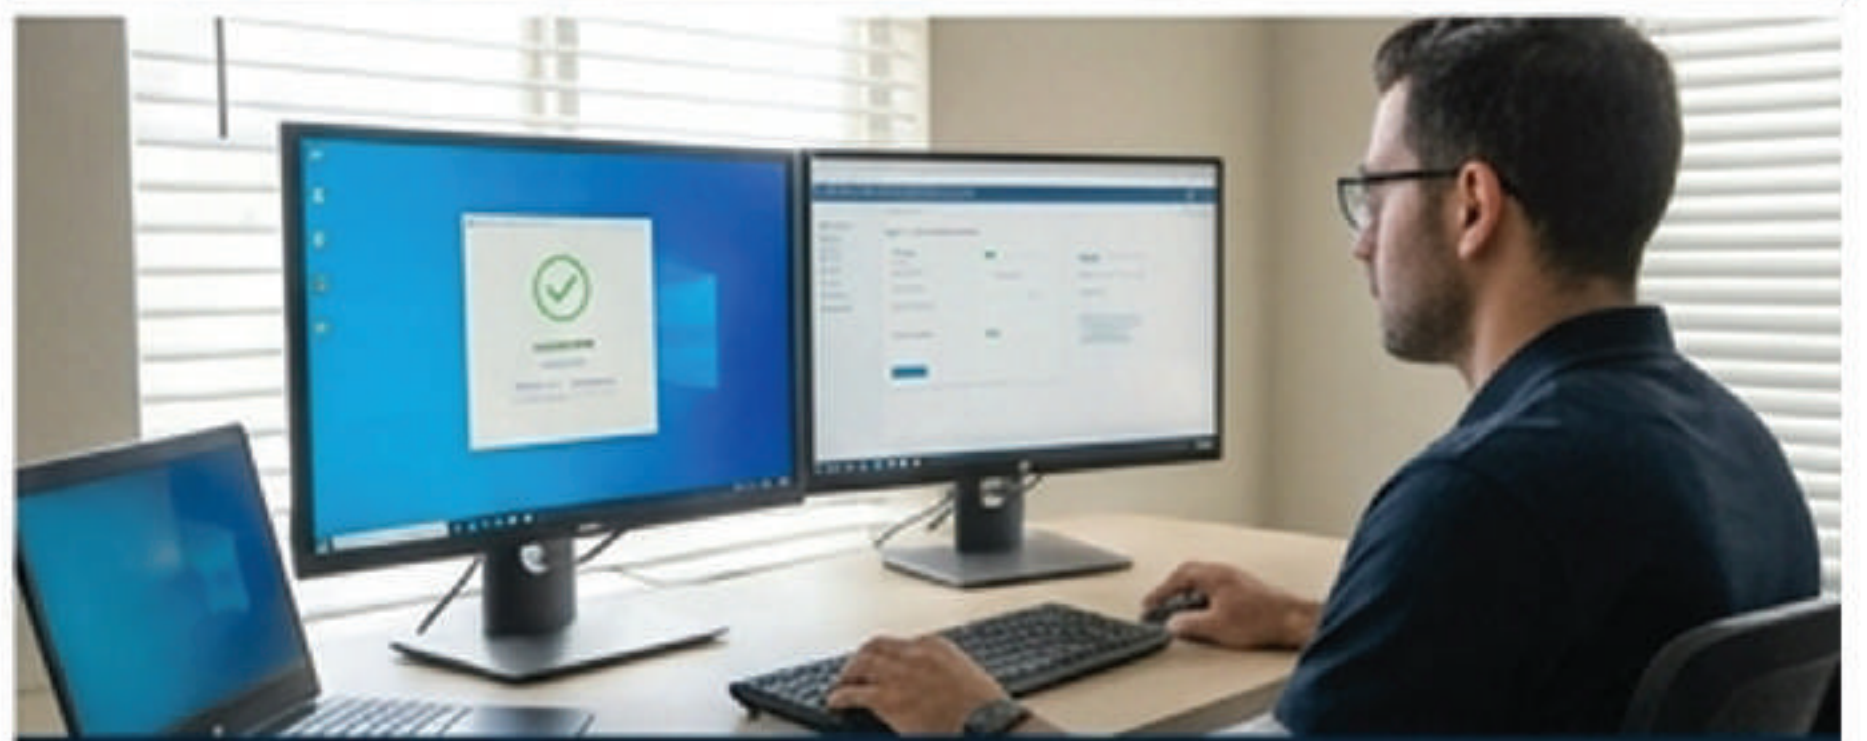

1. Rack-mount build with a rack-mount Firewall.
Scope: mounted rack and managed switch.

2. Remote IT professional with, secure client VPN

Implementation of multi-factor authentication, end-point security compliance checks, and a scalable VPN architecture for global teams.

2. Remote IT professional with, secure client VPN
connected to homeoffice to your office.

3. Engineer deploys: a large corporate conference room system, high-quality control panels.

Turnkey AV over IP integration, professional grade microphones and speakers, and a centralized control system with custom user interface. The engineer is now shown making a fine adjustment on a network connection behind the display.

4. Structured cable architecture integrated for optimal airflow & zero crosstalk.

Large-scale deployment utilizing Cat6A and multi-mode fiber backbones, precision patch panel installations, and optimized cable routing for data center grade cooling.

CORE ENGINEERING CAPABILITIES

Copper & Fiber Infrastructure:

(e.g., Corning, Panduit, Belden; including MPO/MTP connectors; Fluke Versiv and OTDR test reports).

Server & Cabinet Assembly:

(e.g., APC NetShelter, Chatsworth; PDU and UPS integration; Intelligent PDU monitoring setup).

EMAK Electrical & Computer LLC SPC

Why Choose EMAK?

Top Quality Products — 100% original premium brands only.

Complete Solutions — Electrical, automation, and IT requirements under one roof.

Expert Support — Professional technical assistance and warranty.

Competitive Pricing — Fair and competitive rates.
